**2008 Compulsory
In-Gym Judging Preparatory Clinics**

NAWGJ-SC is pleased to announce that THREE in-gym judging preparatory clinics will take place throughout Southern California to prepare our membership for the upcoming compulsory season. These judging clinics will cover level 4, 5, & 6 updates from this year's national congress, and will include practice judging on each event.

Brevet and nationally rated clinicians will report on national congress information, guide participants through the practice judging, and answer questions regarding rules and deductions for the 2008-2009 compulsory season.
